NOT-FOR-PROFIT HEALTH SYSTEM

Advocate Christ Medical Center in Oak Lawn is one of the busiest Level I trauma centers in Illinois, a destination for critical care, along with several high-ranked specialties. A premier teaching institution with top residency programs, Christ is home to a nationally recognized intensive care unit, a Level III NICU and one of Advocate's Children's Hospital campuses. Christ serves as a destination for cardiology, obstetrics, gastroenterology and pulmonology, also serving as a major referral hospital in the Midwest for cancer care, heart and kidney transplantation and neurosciences.

CLINICAL EXPERTISE AND SPECIALTIES

Cardiology

A nationally ranked center for cardiology and cardiac surgery. Leading edge transplant, device implants, vascular and other complex life- and limb-saving surgeries.

Neurologic Care

Fully accredited as a Comprehensive Stroke Center, the highest level awarded. Meets the rigorous standards needed to treat the most complex cases. Other services include advanced neurosurgical, neuro-interventional and spine care.

Obstetrics

Highly skilled and compassionate prenatal care, a destination for families and the #1 delivery program in the south suburbs, providing enhanced services and capabilities and the highest level of care with access to a Level III NICU and adjacent Advocate Children's Hospital.

Cancer Care

Comprehensive cancer care in one location – a full continuum of care from diagnosis to survivorship. Recognized by the American College of Surgeons' Commission on Cancer, National Accreditation Program for Breast Centers and its Integrated Cancer Program. Home to a Breast Imaging Center of Excellence by the American College of Radiology.

CARING FOR OUR COMMUNITIES

Community outreach/ disease prevention

Food Farmacy program offers fresh produce and healthy food options to food insecure patients, aiming to improve chronic conditions in community through nutrition.

"Live...from the Heart"

Partnership with the Museum of Science and Industry to offer a video conference-based cardiovascular education program for Chicago high school students.

Trauma care

Trauma Recovery Center offers holistic approach to healing to serve South Side survivors, along with Southland RISE collaboration with UChicago Medicine.

Workforce development

Teammate success coaching supports teammates from vulnerable populations to assist, retain and grow within the organization.
